Reference: **create a dealer account.**

Hello fellow dealer,

Thanks for your interest. Unfortunately, you aren't currently listed as a dealer with us. In order that we safeguard our other dealer colleagues we require evidence of **your Business, i.e. Registration, Letter headed paper, www. Homepage Address if applicable (or a photo of your business premises).**

Please could you send these by fax, or e-mail, on Info@Lottermanns-Bikes.com are also acceptable. If you don't have a Homepage complete with details/pictures of your premises, we will require clear photos. Snail mail is also fine!

Only then can we create a dealer account!

Important Notice: We only offer dealer prices to those firms whose main business is the buying, selling & customization of Harley Davidson® Motorcycles and similar. Of course, that doesn't mean that you have to be an authorized Harley Davidson Inc. Wisconsin dealer. It's enough to be a "normal" dealer. Other businesses i.e. Car dealers, car repair shops, metal works, gas stations, clothes shops, etc. will not be considered as dealers by us.

best regards from Chris.
